 1. If it bears or contains (by reason of administration of any substance to the live animal or otherwise) any added poisonous or added deleterious substance (other than one which is (i) a pesticide chemical in or on a raw agricultural commodity; (ii) a food additive; or (iii) a color additive) which may, in the judgment of the Commissioner, make such article unfit for human food;

If any valuable constituent has been in whole or in part omitted or abstracted therefrom; or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is; or

§ 106-549.16. Statement of purpose.

Meat and meat food products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that meat and meat food products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded meat or meat food products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged meat and meat food products, and results in sundry losses to livestock producers and processors of meat and meat food products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome,

not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the Board and cooperation by North Carolina and the United States as contemplated by this and the subsequent Article are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this and the subsequent Article. (1969, c. 893, s. 2; 1971, c. 54, s. 3.)

§ 106-549.17. Inspection of animals before slaughter; humane methods of slaughtering.

(a) For the purpose of preventing the use in intrastate commerce, as hereinafter provided, of meat and meat food products which are adulterated, the Commissioner shall cause to be made, by inspectors appointed for that purpose, an examination and inspection of all cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines before they shall be allowed to enter into any slaughtering, packing, meat-canning, rendering, or similar establishment in this State in which slaughtering and preparation of meat and meat food products of such animals are conducted for intrastate commerce; and all cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines found on such inspection to show symptoms of disease shall be set apart and slaughtered separately from all other cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, or other equines, and when so slaughtered, the carcasses of said cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, or other equines shall be subject to a careful examination and inspection, all as provided by the rules and regulations to be prescribed by the Board as herein provided for.

(b) For the purpose of preventing the inhumane slaughtering of livestock, the Commissioner shall cause to be made, by inspectors appointed for that purpose, an examination and inspection of the method by which cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines are slaughtered and handled in connection with slaughter in the slaughtering establishments inspected under this law. The Commissioner may refuse to provide inspection to a new slaughtering establishment or may cause inspection to be temporarily suspended at a slaughtering establishment if the Commissioner finds that any cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, or other equines have been slaughtered or handled in connection with slaughter at such establishment by any method not in accordance with subsection (c) of this section until the establishment furnishes assurances satisfactory to the Commissioner that all slaughtering and handling in connection with slaughter of livestock shall be in accordance with such a method.

(c) Either of the following two methods of slaughtering of livestock and handling of livestock in connection with slaughter are found to be humane:

- (1) In the case of cattle, calves, fallow deer, red deer, bison, horses, mules, sheep, swine, and other livestock, all animals are rendered insensible to pain by a single blow or gunshot or an electrical, chemical, or other means that is rapid and effective, before being shackled, hoisted, thrown,

- cast, or cut; or
- (2) By slaughtering in accordance with the ritual requirements of the Jewish faith or any other religious faith that prescribes a method of slaughter whereby the animal suffers loss of consciousness by anemia of the brain caused by the simultaneous and instantaneous severance of the carotid arteries with a sharp instrument and handling in connection with such slaughtering. (1969, c. 893, s. 3; 1981, c. 376, s. 1; 1991, c. 317, s. 6; 1995, c. 194, s. 3; 1997-142, s. 6.)

§ 106-549.18. Inspection; stamping carcass.

For the purposes hereinbefore set forth the Commissioner shall cause to be made by inspectors appointed for that purpose, as hereinafter provided, a post mortem examination and inspection of the carcasses and parts thereof of all cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines, capable of use as human food, to be prepared at any slaughtering, meat-canning, salting, packing, rendering, or similar establishment in this State in which such articles are prepared for intrastate commerce; and the carcasses and parts thereof of all such animals found to be not adulterated shall be marked, stamped, tagged, or labeled, as "Inspected and Passed"; and said inspectors shall label, mark, stamp, or tag as "Inspected and Condemned," all carcasses and parts thereof of animals found to be adulterated; and all carcasses and parts thereof thus inspected and condemned shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Commissioner or his authorized representative may remove inspectors from any such establishment which fails to so destroy any such condemned carcass or part thereof, and said inspectors, after said first inspection shall, when they deem it necessary, reinspect said carcasses or parts thereof to determine whether since the first inspection the same have become adulterated and if any carcass or any part thereof shall, upon examination and inspection subsequent to the first examination and inspection, be found to be adulterated, it shall be destroyed for food purposes by the said establishment in the presence of an inspector, and the Commissioner or his authorized representative may remove inspectors from any establishment which fails to so destroy any such condemned carcass or part thereof. (1969, c. 893, s. 4; 1991, c. 317, s. 7; 1995, c. 194, s. 4; 1997-142, s. 7.)

§ 106-549.19. Application of Article; place of inspection.

The foregoing provisions shall apply to all carcasses or parts of carcasses of cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines or the meat or meat products thereof, capable of use as human food, which may be brought into any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where inspection under this Article is maintained, and such examination and inspection shall be had before the said carcasses or parts thereof shall be allowed to enter into any department wherein the same are to be treated and prepared for meat food products; and the foregoing provisions shall also apply to all such products which, after having been issued from any such

slaughtering, meat-canning, salting, packing, rendering, or similar establishment, shall be returned to the same or to any similar establishment where such inspection is maintained. The Commissioner or his authorized representative may limit the entry of carcasses, part of carcasses, meat and meat food products, and other materials into any establishment at which inspection under this Article is maintained, under such conditions as he may prescribe to assure that allowing the entry of such articles into such inspected establishments will be consistent with the purposes of this and the subsequent Article. (1969, c. 893, s. 5; 1991, c. 317, s. 8; 1995, c. 194, s. 5; 1997-142, s. 8.)

§ 106-549.20. Inspectors' access to businesses.

For the purposes hereinbefore set forth the Commissioner or his authorized representative shall cause to be made by inspectors appointed for that purpose an examination and inspection of all meat food products prepared in any slaughtering, meat-canning, salting, packing, rendering, or similar establishment, where such articles are prepared for intrastate commerce and for the purposes of any examination and inspection said inspectors shall have access at all times during regular business hours to every part of said establishment; and said inspectors shall mark, stamp, tag, or label as "North Carolina Department of Agriculture and Consumer Services Inspected and Passed" all such products found to be not adulterated; and said inspectors shall label, mark, stamp, or tag as "North Carolina Department of Agriculture and Consumer Services Inspected and Condemned" all such products found adulterated, and all such condemned meat food products shall be destroyed for food purposes, as hereinbefore provided, and the Commissioner or his authorized representative may remove inspectors from any establishment which fails to so destroy such condemned meat food products. (1969, c. 893, s. 6; 1997-261, s. 109.)

§ 106-549.21. Stamping container or covering; regulation of container.

(a)When any meat or meat food product prepared for intrastate commerce which has been inspected as hereinbefore provided and marked "North Carolina Department of Agriculture and Consumer Services Inspected and Passed" shall be placed or packed in any can, pot, tin, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Article is maintained, the person, firm, or corporation preparing said product shall cause a label to be attached to said can, pot, tin, canvas, or other receptacle or covering, under supervision of an inspector, which label shall state that the contents thereof have been "North Carolina Department of Agriculture and Consumer Services Inspected and Passed" under the provisions of this Article, and no inspection and examination of meat or meat food products deposited or inclosed in cans, tins, pots, canvas, or other receptacle or covering in any establishment where inspection under the provisions of this Article is maintained shall be deemed to be complete until such meat or meat food products have been sealed or inclosed in said can, tin, pot, canvas, or other receptacle or covering under the supervision of an inspector.

(b) All carcasses, parts of carcasses, meat and meat food products inspected at any establishment under the authority of this Article and found to be not adulterated shall at the time they leave the establishment bear, in distinctly legible form, directly thereon or on their containers, as the Commissioner or authorized representative may require, the information required under subdivision (15) of G.S. 106-549.15.

(c) The Board whenever it determines such action is necessary for the protection of the public, may prescribe:

- (1) The styles and sizes of type to be used with respect to material required to be incorporated in labeling to avoid false or misleading labeling of any articles or animals subject to this and the subsequent Article;
- (2) Definitions and standards of identity or composition for articles subject to this Article and standards of fill of container for such articles not inconsistent with any such standards established under the Federal Food, Drug, and Cosmetic Act, or under the Federal Meat Inspection Act, and there shall be consultation between the Commissioner or his authorized representative and the Secretary of Agriculture of the United States prior to the issuance of such standards to avoid inconsistency between such standards and the federal standards.

(d) No article subject to this title shall be sold or offered for sale by any person, firm, or corporation, in intrastate commerce, under any name or other marking or labeling which is false or misleading, or in any container of a misleading form or size, but established trade names and other marking and labeling and containers which are not false or misleading, and which are approved by the Commissioner or his authorized representative, are permitted.

(e) If the Commissioner or his authorized representative has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any article subject to this title is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as he may prescribe so that it will not be false or misleading. If the person, firm, or corporation using or proposing to use the marking, labeling or container does not accept the determination of the Commissioner or his authorized representative, such person, firm, or corporation may request a hearing, but the use of the marking, labeling, or container shall, if the Commissioner so directs, be withheld pending hearing and final determination by the Commissioner. A person who uses or proposes to use the marking, labeling, or container and who does not accept the determination of the Commissioner may commence a contested case under G.S. 150B-23. If directed by the Commissioner, the marking, labeling, or container may not be used pending a final decision. (1969, c. 893, s. 7; 1973, c. 1331, s. 3; 1987, c. 827, s. 35; 1997-261, s. 109.)

§ 106-549.22. Rules and regulations of Board.

The Commissioner or his authorized representative shall cause to be made, by experts in sanitation, or by other competent inspectors, such inspection of all slaughtering,

meat-canning, salting, packing, rendering, or similar establishments in which cattle, sheep, swine, goats, fallow deer, red deer, bison, horses, mules, and other equines are slaughtered and the meat and meat food products thereof are prepared for intrastate commerce as may be necessary to inform himself concerning the sanitary conditions of the same, and the Board shall prescribe the rules and regulations of sanitation under which such establishments shall be maintained; and where the sanitary conditions of any such establishment are such that the meat or meat food products are rendered adulterated, the Commissioner or his authorized representative shall refuse to allow said meat or meat food products to be labeled, marked, stamped, or tagged as "North Carolina Department of Agriculture and Consumer Services Inspected and Passed." (1969, c. 893, s. 8; 1991, c. 317, s. 9; 1995, c. 194, s. 6; 1997-142, s. 9; 1997-261, s. 109.)

- (4) Do, with respect to any of these articles which are capable of use as human food, any act while they are being transported in intrastate commerce or held for sale after such transportation, which is intended to cause or has the effect of causing the articles to be adulterated or misbranded. (1969, c. 893, s. 9; 1981, c. 376, s. 2; 1991, c. 317, s. 10; 1995, c. 194, s. 7; 1997-142, s. 10.)

When required by the Commissioner or his authorized representative, with respect to establishments at which inspection is maintained under this Article, such animals and their carcasses, parts thereof, meat and meat food products shall be prepared in establishments separate from those in which cattle, sheep, swine, fallow deer, red deer, bison, or goats are slaughtered or their carcasses, parts thereof, meats or meat food products are prepared. **§ 106-549.30. Refusal of Commissioner to inspect and certify
meat.**

The Commissioner may (for such period, or indefinitely, as he deems necessary to effectuate the purposes of this and the previous Article) refuse to provide, or withdraw, inspection service under Article 49B with respect to any establishment if he determines, after opportunity for a hearing is accorded to the applicant for, or recipient of, such service, that such applicant or recipient is unfit to engage in any business requiring inspection under Article 49B because the applicant or recipient, or anyone responsibly connected with the applicant or recipient, has been convicted, in any federal or state court, of (i) any felony, or (ii) more than one violation of any law, other than a felony, based upon the acquiring, handling, or distributing of unwholesome, mislabeled, or deceptively packaged food or upon fraud in connection with transactions in food. This section shall not affect in any way other provisions of this or the previous Article for withdrawal of inspection services under Article 49B from establishments failing to maintain sanitary conditions or to destroy condemned carcasses, parts, meat or meat food products.

For the purpose of this section a person shall be deemed to be responsibly connected with the business if he was a partner, officer, director, holder, or owner of ten per centum (10%) or more of its voting stock or employee in a managerial or executive capacity. The determination and order of the Commissioner with respect thereto under this section shall be final and conclusive unless the affected applicant for, or recipient of, inspection service files application for judicial review within 30 days after the effective date of such order in the appropriate court as provided in G.S. 106-549.33. (1969, c. 893, s. 16.)

§ 106-549.31. Enforcement against uninspected meat.

Whenever any carcass, part of a carcass, meat or meat food product of cattle, sheep, swine, goats, horses, mules, or other equines, or any product exempted from the definition of a meat food product, or any dead, dying, disabled, or diseased cattle, sheep, swine, goat, or equine is found by any inspector of the Meat and Poultry Inspection Service of the North Carolina Department of Agriculture and Consumer Services upon any premises where it is held for purposes of, or during or after distribution in intrastate commerce, and there is reason to believe that any such article is adulterated or misbranded and is capable of use as human food, or that it has not been inspected, in violation of the provisions of Article 49B or of the Federal Meat Inspection Act or the Federal Food, Drug and Cosmetic Act, or that such article or animal has been or is intended to be distributed in violation of any such provisions, it may be detained by such inspector, upon approval of his supervisor, for a period not to exceed 20 days, pending action under G.S. 106-549.33, and shall not be moved by any person, firm, or corporation from the place at which it is located when so detained, until released by the area supervisor of the Meat and Poultry Inspection Service. All official marks may be required by such inspector to be removed from such article or animal before it is released unless it appears to the satisfaction of the area supervisor that the article or animal is eligible to retain such marks. (1969, c. 893, s. 17; 1997-261, s. 109.)

§ 106-549.32. Enforcement against condemned meat; appeal.

(a) Any carcass, part of a carcass, meat or meat food product of cattle, sheep, swine, goats, horses, mules or other equines, or any dead, dying, disabled, or diseased cattle, sheep, swine, goat, or equine, that is being transported in intrastate commerce, or is held for sale in this State after such transportation, and that (i) is or has been prepared, sold, transported or otherwise distributed or offered or received for distribution in violation of this or the previous Article, or (ii) is capable of use as human food and is adulterated or misbranded, or (iii) in any other way is in violation of this or the previous Article, shall be liable to be proceeded against and seized and condemned, at any time, on a complaint in any proper court as provided in G.S. 106-549.33 within the jurisdiction of which the article or animal is found. If the article or animal is condemned it shall, after entry of the order be disposed of by destruction or sale as the court may direct and the proceeds, if sold, less the court costs and fees,

and storage and other proper expenses, shall be paid into the general fund of this State, but the article or animals shall not be sold contrary to the provisions of this or the previous Article. Provided, that upon the execution and delivery of a good and sufficient bond conditioned that the article or animal shall not be sold or otherwise disposed of contrary to the provisions of this or the previous Article, the court may direct that such article or animal be delivered to the owner thereof subject to such supervision by the authorized representative of the Commissioner as is necessary to insure compliance with the applicable laws. When an order of condemnation is entered against the article or animal and it is released under bond, or destroyed, court costs and fees, and storage and other proper expenses shall be awarded against the person, if any, intervening as claimant of the article or animal. The proceedings in such cases shall be heard by the superior court without a jury, with the right of the aggrieved party to appeal to the Court of Appeals, and all such proceedings shall be at the suit of and in the name of this State. No appeal shall lie from the Court of Appeals.

§ 106-549.33. Jurisdiction of superior court.

The superior court is vested with jurisdiction specifically to enforce, and to prevent and restrain violations of this and the previous Article, and shall have jurisdiction in all other kinds of cases arising under this and the previous Article, provided however, all prosecutions for criminal violations under this and the previous Article shall be in any court having jurisdiction over said violation. (1969, c. 893, s. 19.)

(b) Nothing in this Article shall be construed as requiring the Commissioner or his authorized representative to report for prosecution or for the institution of condemnation or injunction proceedings, minor violations of this Article whenever he believes that the public interest will be adequately served by a suitable written notice of warning.

(c) The Commissioner may assess a civil penalty of not more than five thousand dollars (\$5,000) against any person who violates a provision of this Article or Article 49B, or any rule promulgated thereunder. In determining the amount of the penalty, the Commissioner shall consider the degree and extent of harm caused by the violation.

The clear proceeds of civil penalties assessed pursuant to this subsection shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C-457.2. (1969, c. 893, s. 21; 1995, c. 516, s. 5; 1998-215, s. 17; 1999-408, s. 6.)
