Narrative Explanation, if needed

At time of inspection (11:29am) facility is clean and organized. Sign in/out is maintained. Food is kept in sealed containers. Records are in order. No sign of illness/injury in the general population. 1 enclosure (B2 Family Kennel) is currently not in use due to damaged flooring however repairs are planned during monthly routine floor repair. Indoor and outdoor play yards are in good repair. New kuranda beds are in good condition and seem to be working well. No inadequacies were noted at the time of inspection. Keep up the good work here.
