Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	Follow-up inspection from 3/5/10: Inadequacies that have been addressed since previous inspection are as follows: * Disposition records/vet records were viewed today & all were in order. Signature sheet was available today for a K-9 that was boarded over the weekend & checked out by owner on 5-16-10. Did not view any other records because owner stated that she has not boarded any dogs since previous inspection. * Food was stored adequately in sealed containers today with the exception of one opened can of food that appeared to be being used today. * Did not view any dogs in crates today. They have all been moved outside today. * Outdoor primary enclosures had no animal waste at time of inspection.	
	not addressed since 3/5/10: Inadequacies ~~noted today~~: * Supplies & other accories are still stored inadequately - on tops of cages, floors, etc. * Debris, - Junk still viewed outside around enclosures & in large play area. * Still no secondary perimeter fencing & animals are out in play yard unsupervised. * Outside common areas have mulch present in muddy areas however it must be covered with material impervious to moisture to include concrete, gravel, or pebble.
