**Narrative Explanation, if needed**

Business moved to new facility. I performed new inspection of this property. Boarding area is in the basement of the home with large outside play yards. There are 6 enclosures with play area inside. Temperature was in ambient range and area was clean and odor free. Boarding contract and records are intact. (0203) Fencing around outside enclosure is wood with wire fencing wrapped around. The gates and the bottom of the fence will be covered with plastic 3'-4' high. (0202) Lighting needs to be increased in kennel area by adding light fixture to ceiling fan. No other inadequacies noted.
