Narrative Explanation, if needed

I performed an annual inspection today. The shelter was clean and the animals looked good. The records on the animals impounded were good.

There is one issue I have addressed on 1/5/11 inspections and that the Cat's are housed in carriers. There is one Cat housed at shelter today. The Cat has food and water but there is not enough room for a litter box which is required under the AW Rules. There is room to install Cat cages in the room that contains the Freezer.

The County needs to purchase some Cat Kennels to house Cats. I am disapproving today's inspection and I need
