**Narrative Explanation, if needed**

New inspection performed today. Owner Paige Heath is in attendance.  
This facility is a small, 2 kennel operation. Grooming is offered here as well. Upon entry it is noted that there is no odor and by appearance things are very well maintained.  
Paperwork, as it pertains to a boarding facility, is in AWA compliance.  
Back yard play and exercise areas are already a work in progress.

Narrative Explanation, continued

New chain link type fencing has recently been installed.

There are plans in motion to add concrete pavers into the two high canine traffic areas.

The concrete circular slab in the center of the yard is in good condition.

Well established grass covers most of the space. New growth is evident in the semi shallow areas. Paige will make sure that no canine has access to these sparse sections while awaiting thickened growth.

I have no issues of concern at this time.

I see that a great deal of care and compassion goes into this family oriented business.

I will return in or around 60 days to check up on the yard progress.

This new inspection is approved.
