Narrative Explanation, if needed

Annual inspection performed today, facility is clean & odor free at time of inspection with no apparent signs of illness or injury noted.

0203 - Outdoor housing - Kennel owner is currently housing two dogs that have a military owner and will be here long term. Dogs are housed outdoors, with owners permission, in a large chain link kennel,, dogs have housing, food and water. I advised kennel owner to add gravel and weather protection to make this temporary set-up acceptable to AWA Regulation. No other inadequacies noted.
