**Narrative Explanation, if needed**

From the 10-11-10 inspection, the condition of the food/water receptacles has improved. Continue to replace the chewed / damaged receptacles and plastic dog houses as needed. Remember to empty the water out of the dog house when it is cleaned. Items to address: Dog Box must have more ventilation created or stop use of box immediately. Records are not available due to the RCAS not returning a copy to the holding site ACO - ACO understands to start back keeping his records. RCAS manager will be contacted. Follow -up in 2 weeks.
