0303 Food & water during transport	Not Applicable	0304 Observation of animals	Not Applicable

Narrative Explanation, if needed

Annual inspection performed today, facility is clean and odor free, I viewed no apparent signs of illness or injury noted, all records are on site and to AWA Regulation.

0201} Food kept in sealed containers is not acceptable today, due to 1 open bag of feed seen, as well as unsealed plastic tote of food (photos taken).

0207} Sanitation of cleaning accessories is not acceptable due to a dirty litter scooper seen stored in a cabinet with other cleaning materials - wash & sanitize all cleaning utensils daily. No other inadequacies noted.
