and Consumer Services
Veterinary Division

R. Douglas Meckes, DVM
State Veterinarian

To Whom It May Concern:

As per your request for information regarding an Equine Event Permit, enclosed you will find our Equine Event Permit application form. In order for you to receive a permit, the application must be completed, signed and returned to our office, along with copies of (1) a current North Carolina Certificate of Veterinary Inspection (CVI) that is no more than 30 days old, and (2) an equine infectious anemia (EIA) test, also known as a Coggins, that has been performed within the last 12 months. You will also need to provide three complete pictures, preferably digital, of your horse – one each of the left and right sides from the head to the hooves, and a photo of the front view from above the tips of the ears to below the mouth. Please note that photos of horses included on CVI or EIA forms are too small to be edited to create our passport ID cards and therefore cannot be used. Digital photos may be emailed to Joe.Web@ncagr.gov. Once your application, your photos and a \$5 permit fee have been received in our office along with a valid CVI form and the horse's EIA test results, your Equine Event Permit will be issued.

If you have any questions, please contact our office at (919) 707-3250.

Sincerely,

R. Douglas Meckes, DVM
State Veterinarian

Application for Equine Event Permit**

In making application for an Equine Event Permit, I have attached a copy of the North Carolina Certificate of Veterinary Inspection (CVI) and equine infectious anemia (EIA) test record. I understand that this permit is issued by the State of North Carolina, and the horse must be accompanied at all times by an original EIA test record, a complete travel itinerary listing all events and transport occurring during the passport's active status, and the Equine Event Permit. If a microchip is used as a means of identification, I also agree to provide regulatory authorities immediate access to a functional microchip scanner, if requested. Violators of any requirement of the passport program are subject to the laws of the state where the violation occurs and may include an immediate return to the state of origin, revocation of passport, civil penalties or criminal prosecution. **A \$5 fee for processing the permit is required. Make your check or money order payable to the NCDA&CS Veterinary Division.**

Horse Identification Method Used

(Digital photographs must include views of the entire left and right sides and a front view. These photos may be emailed to joe.web@ncagr.gov)

Tattoo	
Microchip	

(The tattoo or microchip identification must be included on the EIA/Coggins test chart that is part of the Equine Event Permit application.)

Detailed Description or Markings

State Exceptions

I understand the following:

- Digital photographs are not recognized as forms of identification for travel to Louisiana.
- An EIA test record with negative results recorded within the previous seven months is required for travel to Arkansas and Oklahoma.

**Equine Event Permit
Travel Itinerary**

Departure Date	In Transit Stops	Destination	Return Date	Purpose of Trip

As part of the permit agreement, an accurate, up to date transport record is required to be kept by the owner or transporter at all times.

1. The permit number recorded below must be the same as that listed on the permit.
2. Additional sheets of itinerary may be added and attached as necessary.

I hereby certify that all travel has been recorded for the period that the permit is valid. The original signed copy must be available at all time during transport of the horse. **Upon permit expiration, the complete travel itinerary must be forwarded to the office of the State Veterinarian issuing the permit.**
