or development of such land for a period of at least ten years, except for the creation of not more than three lots that meet applicable county zoning and subdivision regulations; and

4. Be located in the unincorporated area of Bertie County, unless there is an agreement with a municipality through which the county is authorized to exercise the authority of the municipality on its behalf.

ARTICLE VIII APPLICATION, APPROVAL, AND APPEAL PROCEDURE

A. Application Procedure

1. An owner or owners of qualifying farmland may apply to participate in the Voluntary Agricultural District program by making application to the chairperson of the Advisory Board or a designated staff person. The application shall be on forms provided by the Advisory Board. There shall be an application fee of \$25 per tract of qualifying farmland proposed to be enrolled. Said fee shall be used, as available, to defray costs for signage and mapping provided in Article VII below.
2. A conservation agreement (required by N.C.G.S. §106-737 and defined in N.C.G.S. §121-35) to sustain, encourage, and promote agriculture must be executed by the landowner with the Advisory Board, which shall record a certified copy of such with the Bertie County Register of Deeds. Permitted uses include agriculture, horticulture, forestry, and outdoor recreation.

B. Approval Process

1. Upon submission of the application to the Advisory Board, the Advisory Board shall meet within thirty (30) days to approve or disapprove the application. The chairperson shall notify the applicant by first class mail of approval or disapproval of participation in a District.

Upon either an initial denial, if no request for reconsideration was made, or denial after reconsideration, the landowner shall have thirty (30) days from the date of notification to appeal the decision to the Board of Commissioners. Such appeal shall be presented in writing. The decision of the Board of Commissioners is final.

ARTICLE IX

REVOCAATION, ENFORCEMENT AND RENEWAL OF CONSERVATION AGREEMENTS

A. Revocation and Enforcement

By providing written notice to the Advisory Board, a landowner of qualifying farmland within a District may revoke the Conservation Agreement or the Advisory Board may revoke the same Conservation Agreement based on noncompliance by the landowner, subject to the same provisions as contained in Article VIII(C) for appeal of denials. Such revocation shall result in loss of qualifying farm status and loss of eligibility to participate in a District. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall revoke any Conservation Agreement prior to its expiration. If the Advisory Board shall revoke this Conservation Agreement for cause, the landowner shall have the appeal rights set forth in Article VIII(C). Transfers of land in a District due to death of the landowner, sale or gift shall not revoke the Conservation Agreement unless the land no longer qualifies for the present-use-value taxation program or, in the event that there are water or sewer assessments held in abeyance, the new owner(s) fails to agree in writing to accept liability for those assessments in the event that the land is withdrawn either voluntarily or involuntarily from the District. Enforcement of the terms of a Conservation Agreement for land enrolled in a District shall be limited to revocation of the Conservation Agreement and the benefits derived there from. A notice of revocation shall be recorded in the county land record system sufficient to provide notice that the land has been withdrawn from the Voluntary Agricultural District program.

B. Renewal

A Conservation Agreement for land within a Voluntary Agricultural District shall be automatically renewed unless the landowner provides 30 day written notice to the Advisory Board of intent not to renew. Absent noncompliance by the landowner,

neither the Advisory Board nor the Board of Commissioners shall fail to renew any Conservation Agreement unless this Ordinance or its authorizing legislation has been repealed.

**ARTICLE X
WAIVER OF WATER AND SEWER ASSESSMENTS**

A. No Connection Required

A landowner belonging to a District shall not be required to connect to Bertie County water and/or sewer systems.

B. Abeyance

Water and sewer assessments shall be held in abeyance, without interest, for farms enrolled in a District, until improvements on such property are connected to the water or sewer system for which the assessment was made.

C. Termination of Abeyance

When the period of abeyance ends, the assessment is payable in accordance with the terms set out in the assessment resolution.

D. Suspension of Statute of Limitations

Statutes of limitations are suspended during the time that any assessment is held in abeyance without interest. The landowner may be required to sign an acknowledgement (that may be incorporated into the Conservation Agreement) of the abeyance of the statute of limitations upon collecting water and sewer assessments, or other utility assessments.

E. Other Statutory Abeyance Procedures

Nothing in this section is intended to diminish the authority of the County to hold assessments in abeyance under N.C.G.S. §153A-201, or other applicable law.

F. Conflict with Water and/or Sewer System Construction and Improvements Grants

To the extent that this section conflicts with the terms of federal, state, or other grants under which county utility systems are constructed this section shall not apply. This section shall not apply to utilities that are not owned by the County unless the County has entered into an agreement with the entity (ies) owning the utilities and that agreement provides that this Ordinance shall apply.

**ARTICLE XI
PUBLIC HEARINGS**

A. Purpose

N.C.G.S. §106-740 provides that no state or local public agency or governmental unit may formally initiate any action to condemn any interest in qualifying farmland within a District until such agency or unit has requested the Advisory Board to hold a public hearing on the proposed condemnation. This provision ensures that the condemning agency or unit considers the impact of its actions upon agriculture, forestry, and/or horticultural prior to taking action that is not reversible. This provision is not intended to, and does not prohibit, the condemning agency or unit from taking action authorized by law.

B. Procedure

1. Upon receiving a request, the Advisory Board shall publish notice describing the proposed action in the appropriate newspapers of Bertie County within five (5) business days of the request, and will in the same notice notify the public of a public hearing on the proposed condemnation, to be held within ten (10) days of receipt of the request.
2. The Advisory Board shall meet to review:
 - a. Whether the need for the project has been satisfactorily established by the agency or unit of government involved, including a review of any fiscal impact analysis conducted by the agency involved; and
 - b. Whether there are alternatives to the proposed action that have less impact and are less disruptive to the agricultural activities of the District within which the proposed action is to take place.
3. The Advisory Board shall consult with the County Agricultural Extension Agent, the Natural Resources Conservation Service District Conservationist, and any other individuals, agencies, or organizations deemed by the Advisory Board to be necessary for its review of the proposed action.
4. Within five (5) days after the hearing, the Advisory Board shall make a report containing its findings and recommendations regarding the proposed action. The report shall be made available to the public prior to its being conveyed to the decision-making body of the agency proposing the acquisition.

5. There will be a period of ten (10) days allowed for public comment on the report of the Advisory Board.
6. After the ten (10) day period for public comment has expired, the Advisory Board shall submit a final report containing all of its findings and recommendations regarding the proposed action to the decision making body of the agency proposing the acquisition.
7. The total time period, from the day that a request for a hearing has been received to the day that a final report is issued to the decision making body of the agency proposing the acquisition, shall not exceed thirty (30) days. If the agency agrees to an extension, the agency and the Advisory Board shall mutually agree upon a schedule to be set forth in writing and made available to the public.
8. Pursuant to N.C.G.S. §106-740, the Board of Commissioners shall not permit any formal initiation of condemnation by local agencies while the proposed condemnation is properly before the Advisory Board.
