**ARTICLE II  
AUTHORITY**

2. Eastern Cabarrus
3. Midland

B. Implementation

In order to implement the purposes stated in Article III, this program provides for the creation of voluntary agricultural districts or Enhanced Voluntary Agricultural Districts which meet the following standards:

1. The District shall contain a minimum of Twenty (20) contiguous acres of qualified farmland; or
2. The District shall contain Two (2) or more qualified farms within areas designated by the Advisory Board.

All land enrolled in a region, defined in section A, above, shall be part of a single district. If a single farm has acreage in two or more regions, the farm shall participate in the district where the largest acreage is found.

C. Education

The county may take such action as it deems appropriate through the Advisory Board or other entities or individuals to encourage the formation of the Districts and to further their purposes and objectives, including the implementation of a public information program to reasonably inform landowners of the agricultural district program. The county may contract with the North Carolina Cooperative Extension to serve as the educational advisor and organization charged with delivering this educational program.

D. Addition and Withdrawal

1. Qualifying farmland in a region with an existing district shall be added to the district as herein provided.
2. In the event that one or more participants in the District withdraw and the acreage in the District becomes less than the minimum acreage required or results in the remaining land being noncontiguous, a voluntary agricultural district will continue to exist so long as there is one qualifying farm.

3. Enhanced Voluntary Agricultural Districts require a conservation agreement between Cabarrus County Government and the agricultural producer that cannot be revoked for at least 10 years.

## ARTICLE VII CERTIFICATION AND QUALIFICATION OF FARMLAND

### Requirements

To secure county certification as qualifying farmland, a farm must:

- 1) Be participating in the farm present-use-value taxation program established by N.C.G.S. §105-277.2 through §105-277.7, or is otherwise determined by the county to meet all the qualifications of this program set forth in G.S. 105-277.3 ;
- 2) Have been actively used in agricultural, horticultural or forestry operations as defined by N.C.G.S. §105-277.2 (1,2,3) during each of the five previous years, measured from the date on which the determination must be made as to whether the land in question qualifies;  
Be the subject of a conservation agreement, as defined in N.C.G.S. §121-35, between the county and the owner of such land that prohibits non-farm use or development of such land for a period of at least ten years, except for the creation of not more than five lots that meet applicable county zoning and subdivision regulations.
- 3) Agree to the conservation agreement between Cabarrus County and the owner that the Enhanced Voluntary Agricultural District cannot be revoked for at least 10 years.

## ARTICLE VIII APPLICATION, APPROVAL, AND APPEAL PROCEDURE

### A. Application Procedure

1. A landowner may apply to participate in either program by making application to the chairperson of the Advisory Board or a designated staff person. The application shall be on forms provided by the Advisory Board. The application to participate in a district may be filed with the certification for qualifying farmland.
2. A conservation agreement to sustain, encourage, and promote agriculture must be executed by the landowner and recorded with the Advisory Board. Permitted uses include agriculture, horticulture, forestry, and outdoor recreation.

### B. Approval Process

1. Upon submission of the application to the Advisory Board, the Advisory Board shall meet quarterly to approve or disapprove the application. The chairperson shall notify the applicant by first class mail of approval or disapproval of participation in the district.
2. Upon receipt of an application, the chairperson will forward copies immediately to the following offices which shall be asked to provide comments, if any, to the Advisory Board prior to the date set for the Advisory Board vote on the application.

  - b. The Cabarrus Soil and Water Conservation District office;
  - c. The Natural Resources Conservation Service; and

- d. The North Carolina Cooperative Extension Office; and
- e. The Cabarrus County Commerce Department

C. Appeal

If an application is denied by the Advisory Board, the petitioner shall have thirty (30) days to appeal the decision to the Board of Commissioners. Such appeal shall be presented in writing. The decision of the Board of Commissioners is final.

**ARTICLE IX  
REVOCATION AND RENEWAL OF PRESERVATION AGREEMENT**

A. Revocation

By providing 30 days advance written notice to the Advisory Board, a landowner of qualifying farmland may revoke the Preservation Agreement or the Advisory Board may revoke the same Preservation Agreement based on noncompliance by the landowner, subject to the same provisions as contained in Article VIII for appeal of denials. Such revocation shall result in loss of qualifying farm status and loss of eligibility to participate in a district. Absent noncompliance by the landowner, neither the Advisory Board nor the Board of Commissioners shall revoke any preservation agreements prior to its expiration.

In the event of the original landowner's death, any surviving heirs have the same 30 days advance written notice consideration for removal from the Preservation Agreement as stated above.

B. Renewal

Preservation Agreements shall be deemed automatically renewed for an additional term of 10 years, unless either the Advisory Board or the landowner gives written notice to the contrary no later than 30 days prior to the termination date.

**ARTICLE X  
PUBLIC HEARINGS**

A. Purpose

Pursuant to N.C.G.S. §106-740, which provides that no state or local public agency or governmental unit may formally initiate any action to condemn any interest in qualifying farmland within a District until such agency or unit has requested the Advisory Board to hold a public hearing on the proposed condemnation.

B. Procedure

1. Upon receiving a request, the Advisory Board shall publish notice describing the proposed action in the appropriate newspapers of Cabarrus County within five (5) business days of the request, and will in the same notice notify the public of a public hearing on the proposed condemnation, to be held within ten (10) days of receipt of the request.
2. The Advisory Board shall meet to review:
  - a. Whether the need for the project has been satisfactorily established by the agency or unit of government involved, including a review of any fiscal impact analysis conducted by the agency involved; and
  - b. Whether there are alternatives to the proposed action that have less impact and are less disruptive to the agricultural activities of the District within which the proposed action is to take place.

3. The Advisory Board shall consult with the County Agricultural Extension Agent, the Natural Resources Conservation Service District Conservationist, and any other individuals, agencies, or organizations deemed by the Advisory Board to be necessary for its review of the proposed action.
4. Within five (5) days after the hearing, the Advisory Board shall make a report containing its findings and recommendations regarding the proposed action. The report shall be made available to the public prior to its being conveyed to the decision-making body of the agency proposing the acquisition.
5. There will be a period of ten (10) days allowed for public comment on the report of the Advisory Board.
6. After the ten (10) day period for public comment has expired, the Advisory Board shall submit a final report containing all of its findings and recommendations regarding the proposed action to the decision making body of the agency proposing the acquisition.
7. The total time period, from the day that a request for a hearing has been received to the day that a final report is issued to the decision making body of the agency proposing the acquisition, shall not exceed thirty (30) days. If the agency agrees to an extension, the agency and the Advisory Board shall mutually agree upon a schedule to be set forth in writing and made available to the public.
8. Pursuant to N.C.G.S. §106-740, the Board of Commissioners shall not permit any formal initiation of condemnation by local agencies while the proposed condemnation is properly before the Advisory Board.
