**NOTICE OF WARNING**

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on June 17, 2011. Specifically, our investigation revealed that you had processed, stored, transported, offered for sale and/or sold beef loins, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public at the Kings Drive Farmers Market, Charlotte, NC. You stated in a signed statement dated June 17, 2011 that you cut and packaged the beef loins in your home kitchen which is not under inspection and had been doing so for approximately three years.

Please be advised that the sale of misbranded and/or uninspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or uninspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

Donald H. Delozier  
State Director
