NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Poultry Products Inspection Law and the North Carolina Compulsory Meat Inspection Law. These reported violations were discussed with you on July 13, 2011. Specifically, our investigation revealed that you had transported, processed, stored, offered for sale and/or sold approximately 70 packages of beef tendons, beef leg bones and beef stomachs and 22 packages of chicken rolls, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public. In a signed statement dated July 13, 2011 you admitted to repackaging the above mentioned meat products without the benefit of State or Federal inspection.

Please be advised that the sale of misbranded and/or uninspected poultry products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.56 with civil and/or criminal penalties and that the sale of misbranded and/or uninspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to these violations. If you should continue to sell misbranded and/or uninspected poultry and meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

Donald H. DeLozier
State Director
