NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on April 10, 2013. Specifically, our investigation revealed that you had processed, stored, offered for sale and/or sold pork bellies, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public. In a signed statement dated April 10, 2013 you stated you purchased large boxes of pork bellies from Grace Food Distribution in Winston Salem, NC and in turn packaged the pork bellies into smaller retail size packages inside Nile Asians Food without the benefit of county, state or federal inspection.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

Alan Wade

State Director
