NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law. This reported violation was discussed with you on August 05, 2014. Specifically, our investigation revealed that you had processed, stored, offered for sale and/or sold beef rib eye steaks and pork spare ribs, which did not contain a State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling, to the general public. In a signed statement dated August 05, 2014 you stated that you purchased the meat products from A.L. Beck and Sons, Inc., 505 Jones Street, Winston-Salem, North Carolina, and in-turn repackaged the meat products into smaller consumer size packages which did not contain a State (N.C.D.A.) or Federal (U.S.D.A.) marks of inspection or required labeling. The repackaged meat products were offered for sale and sold to the general public.

Please be advised that the sale of misbranded and/or non-inspected meat products is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade

W. Alan Wade
State Director
