NOTICE OF WARNING

We have an investigative case report showing that you violated the North Carolina Compulsory Meat Inspection Law and the North Carolina Poultry Products Inspection Law. This reported violation was discussed with you on February 2, 2015. Specifically, our investigation revealed that you had stored, offered for sale and/or sold misbranded Chicken Breast, Vegetable Stew with Chicken and Fontanini Una Bella Differenza Cooked Beef Topping, which did not contain State (NCDA) or Federal (USDA) marks of inspection or required labeling, to the general public. In a signed statement dated February 2, 2015 you stated that you stored, offered for sale and sold misbranded meat products and poultry products without the benefit of county, state or federal inspection for approximately two (2) days.

Please be advised that the sale of misbranded and/or non-inspected meat products and the sale of misbranded/non-inspected poultry product is a violation of North Carolina General Statute (N.C.G.S.) §106-549.23, and in violation of North Carolina General Statute (N.C.G.S.) §106-549.56 with civil and/or criminal penalties. Please be advised that you will not receive any further warning with regard to this violation. If you should continue to sell misbranded and/or non-inspected meat products and/or poultry products, we will pursue legal action against you to invoke the penalties associated with these continued violations. I certainly hope this expensive action will not be necessary. An officer from this department will visit you periodically to verify compliance.

Sincerely,

W. Alan Wade
