

Pesticide Dealer Day 2022

All Pesticide Dealers and their employees are invited to attend Dealer Day 2022, an information packed 2-hour event slated at 6 convenient locations across the state in February 2022. A wide range of topics relevant to Pesticide Dealers will be covered by NCDA&CS Pesticide Inspector field staff. Come enjoy this opportunity to learn and earn 2 hours of Pesticide Dealers' license credits. In addition, attendees with an applicator's license will also receive 2 hours of credit in categories: A, B, G, H, I, K, L, M, N, O, T, & X. The meetings are free and there is no registration required to attend any of the locations.

Topics covered will include:

- General Dealer Requirements
- Restricted Use Pesticide Sales
- Labels, Labeling, & Manuals
- Bulk Containment & Repackaging
- Paraquat Label Changes
- Other Dealer Related Items
