

Special Event: North Carolina

is hosting the
North American Envirothon
July 2019

The national
competition is a
**SIX DAY
EVENT**
in Raleigh

It's a big job.

Volunteers Needed!

Will you help?

Envirothon Program

- Core Sponsorship is through local Soil & Water Conservation Districts.
- A myriad of other local, state & federal agencies are core partners.
- The State Envirothon competition is the culmination of numerous local & area elimination Envirothons.

ENVIROTHON

TEAM SUPPORT

Groups of students form

TEAMS

TEAMS

Learn about their natural Environment through studying resources materials, Field Trips, & interacting with Resource Professionals.

**Are you a
Natural Resource
Professional?**

Will you help?

VOLUNTEER SUPPORT

Various competitions are held for teams to exercise their knowledge of the natural environment.

VOLUNTEERS

Are key to successful competitions.

**Do you love the
out-of-doors?
Do you love seeing
kids enthusiastic about
learning & doing?**

Will you help?

FINANCIAL SUPPORT

The Envirothon Program needs a solid foundation.

The Kids are the Reason.

⇒ *A multitude of Resource Professionals contribute time & expertise in creating study materials, helping with training teams, & volunteering time at competitions.*

⇒ *Competitions require a solid foundation for facilities, food, t-shirts, & safety services.*

⇒ *The solid foundation requires financial support.*
