

NCDA&CS Dealer Days

About the Event:

All pesticide dealers and their employees are invited to attend a dealer day event. These events will be 2 hours long and offered in various locations across the state. A wide range of topics will be covered by the NCDA&CS Pesticide Field Staff. During these meetings, there will be 2 hour of recertification credit offered for the following categories:

A, B, D, G, H, I, K, L, M, N, O, T, & X. These events are free and does not require a registration to attend.

Topics Covered:

- ✓ General Dealer Requirements
- ✓ Restricted Use Pesticide Sales
- ✓ Commodity & Soil Fumigation
- ✓ Endangered Species Act (ESA) Label Changes
- ✓ Bulk Containment & Repackaging
- ✓ Other Dealer Related Topics

All events begin at 10 AM and will end at 12 PM.
