NC Co. ID#

Application for Registration of New Pesticide Product
State of North Carolina

https://www.ncagr.gov/divisions/structural-pest-control-and-pesticides/product-registration

Year
Register for the Year of:

Please complete Items 1-5 ONLY. Fees totaling $175.00 are required for each product to be registered. Checks can be made out to NCDA&CS. Fees for all products can be combined on one check. Mail the check and completed application to one of the following addresses. Labels can be mailed with the application and/or emailed to us. (See below) To submit applications via US Postal Service use: NCDA&CS, Structural Pest Control & Pesticides Division, Registration Unit, 1090 Mail Service Center, Raleigh, NC 27699-1090. To submit applications via courier such as FedEx and UPS, use our physical address: NCDA&CS, Steve Troxler Agricultural Sciences Center, Structural Pest Control & Pesticides Division, Registration Unit, 4400 Reedy Creek Road, Raleigh, NC 27607. **You can include up to 3 products on each form.** In the box below "**NC Co. ID#**" above, write in the company ID account number (aka: Submitted By Number or File Number) North Carolina has previously assigned to this company. New products on this form will be assigned to this account number. If this company does not have a pesticide account with us or if you are unsure, leave the box blank. In the box below "Year" above, write in the year you want the registration(s) to begin. Registrations processed for the upcoming year are effective as of January 1st of that year. We begin accepting applications for the upcoming year in October of the current year.

DO NOT submit this application form via email. Mail it to us along with the check for the fees. Labeling can be mailed and/or emailed to PesticideRegistrations@ncagr.gov. If emailed, insert date submitted in box below.»
