CARE AND CONTROL SHELTER

) NOTICE OF VIOLATION AND
) ASSESSMENT OF CIVIL PENALTY
) FOR VIOLATION OF 02 N.C.
) ADMINISTRATIVE CODE (NCAC)
) CHAPTER 52J, SECTION .0210(c).
)

Acting pursuant to N.C. General Statute § 19A-40, Dr. Patricia Norris, Director, Animal Welfare Section ("AWS"), North Carolina Department of Agriculture and Consumer Services ("NCDA&CS") makes the following:

FINDINGS OF FACT

1. At all times pertinent to this matter, Caldwell County Animal Care and Control Shelter ("the shelter") operated by Caldwell County was an animal shelter, registered pursuant to N.C. General Statute ("NCGS") § 19A-26.
2. On September 20, 2018, AWS Animal Health Technician Lindsey Harris ("Inspector Harris") conducted a facility compliance inspection ("FCI"). The records-review portion of the FCI revealed:
 - a) a female German Shepherd (ID#39576900) ("the GS") was impounded at the shelter on September 4, 2018 at 4:45 AM;
 - b) the intake record noted "HBC Internal Injury" indicating at the time of impound, the officer knew the animal had been hit by a car (HBC) and knew or suspected the dog had internal injuries;
 - c) the animal's record does not indicate that any veterinary care was provided to this dog despite the officer's knowledge that the animal was injured;
 - d) the GS was found deceased at 8 AM on September 4, 2018 by the shelter staff.
3. As a result of the findings of the records-review portion of the FCI, Inspector Harris conducted an investigation. The investigation findings include:
 - a) the GS was unable to use her hindlegs at the time of impound;
 - b) the impounding officer is a Certified Euthanasia Technician ("CET") who could have euthanized the dog at the time of impound to alleviate her suffering;
 - c) the impounding officer texted his supervisor advising that the dog was "Not doing good" but did not attempt to contact the veterinarian or take the animal to the emergency veterinary hospital;
 - d) the shelter's 2018-2019 Program of Veterinary Care states that if an animal is injured and it is after normal hours, the animal is seen by Dr. Thuss (veterinarian) and upon his recommendation taken to the Veterinary Referral Hospital of Hickory for veterinary care;
 - e) an interview with Dr. Thuss revealed that he was unaware of this dog and her condition until the interview;

CONCLUSIONS

To the extent that the Findings of Fact contain Conclusion of Law, based on the findings of this investigation, AWS concludes that the shelter, either by act or omission, violated the following provisions:

02 NCAC 52J .0210(c) for failing to provide veterinary care or euthanize injured animals as evidenced by the injured female German Shepherd impounded on September 4, 2018 that was not provided with veterinary care or euthanized. The dog died while in the care and custody of the shelter.

(See Appendix for text of referenced General Statutes and Administrative Code)

CIVIL PENALTIES

As required by N.C. General Statute § 19A-40, in determining the amount of the civil penalty, I have considered the degree and extent of harm caused by the violations listed above.

Accordingly, Caldwell County is hereby assessed a civil penalty for the following violation:

\$1,000.00 for failing to provide veterinary care or euthanize an injured animal on September 4, 2018.

\$1,000.00 TOTAL AMOUNT ASSESSED

Continued or future violation of the statutes or regulations referenced in this letter and the attached inspection reports will be considered a willful disregard or violation of the NC Animal Welfare Act and the rules issued pursuant thereto. Such willful disregard or violation may result in action against your facility's license pursuant to NC General Statute § 19A-30 and/or the assessment of a civil penalty of up to \$5,000.00 per violation under NC General Statute § 19A-40.
