**2. Summary End Product Data Schedules (SEPDS).** The SEPDS contains summary information from approved EPDS and a master SEPDS approved by USDA. Processor may select specific EPDS for processing in a given state. Attach SEPDS, listing end products that may be sold in the State.

Do you use a subcontractor for the production of any items covered in this agreement?

Yes  No

If yes, please identify the subcontractor by name, address, USDA plant number, and each item produced. Per 250.30(h), processors are prohibited from subcontracting without explicit written permission from the State agency or FNS, as appropriate.

---

---

Processor must provide written notification to the SDA of any change(s) to the SEPDS including the nature of the change(s); notification may be made electronically. Procedures for State-level SEPDS submission and approval are as follows:

**Processor must submit SEPDS along with SPA. SEPDS are approved as long as they show USDA approval.**

**3. CN Labeling.** Products, which contribute toward the school meal pattern requirements, may qualify for CN labeling. The SDA should check those that apply.

CN Labeling is optional. Recipient agencies may request CN labeled products.

CN Labeling is required, if applicable, for the processed product.

Submit CN labels with SEPDS.

**4. Nutritional Information.** Recipient agencies need nutritional information to comply with USDA regulations. State should check those that apply:

Processor must provide nutrition information to RA upon request.

Processor's nutrition information has been submitted to USDA Database.

Processor's nutrition information is available on their web site.

(Provide the web address) \_\_\_\_\_

Processor must submit nutrition information with the SEPDS

**5. Grading.** Red Meat grading will be performed under Full Certification.

**6. By products.** If by products are produced, describe method of valuation and credit.

---

**7. List of Eligible Recipient Agencies.** The State will provide a list of eligible recipient agencies to the processor upon SDA approval of the State Participation Agreement.

**8. Backhauling of USDA Foods.** If backhauling is permitted, *the processor will not substitute or commingle backhauled donated foods and will provide end products processed from such donated foods only to the distributing or recipient agency from which the food was received.* Processor must notify the SDA before backhauling products. Please check those that apply.

SDA permits backhauling                     Yes                     No

Backhauling permitted from             State Warehouse             Recipient Agency

SDA requires a form for requesting approval to backhaul    Yes             No

**9. Special Instructions for Delivery of End Product to Designated Delivery Locations:**

---

---

**10. Electronic Receipting for USDA Foods**

Processor must register on the USDA’s Web Supply Chain Management (WBSCM) or other applicable USDA system(s). Please register immediately after receiving business partner identification number.

Processor is required to enter all shipment receipts within two calendar days of delivery, using the Web Supply Chain Management (WBSCM) Shipment Receipt Function.

**11. Additional SDA Requirements.**

The processor must provide the distributor with a list of eligible recipient agencies and either:

- (1) The quantities of approved end products that each recipient agency is eligible to receive; or
- (2) The quantity of donated food allocated to each recipient agency and the raw donated food (pounds or cases) needed per case of each approved end product.

Per the requirements of 250.36(h), please outline your mechanism for providing recipient agency information with the associated quantities of raw donated food that is available to each recipient agency.

---

---

Processor must register on the USDA’s Web Supply Chain Management (WBSCM) or other applicable USDA systems. Please register immediately after receiving business partner identification number. After the creation of a new Business Partner-ID the processor must notify the state of their new BP-ID number who will then contact WBSCM-Ship-To@fns.usda.gov in order to be mapped to the new destination.

Complete chart below in its entirety (**Include address**).

| WBSCM Material Number | Processing Plant (PL) Location, City | PL State | WBSCM-Issued BP-ID # |

Processor will provide ending inventory balances to recipient agencies at a minimum on a monthly basis.

Processor must submit a SEPDS along with the SPA.

The State Participation Agreement (SPA) may be terminated immediately at the option of the DA for noncompliance of its terms and conditions by the processor or if any right in favor of the DA is threatened or jeopardized by the Processor and/or his agent. This SPA may be terminated by either party upon 30 days written notice to the other. Disposition of DF inventory, either physical or book, with Processor or payment of value thereof shall be based on Article 20 the National Processing Agreement.

All paperwork must be sent to the attention of the appropriate person as instructed from this office. Monthly Performance Reports and SEPDS are to be sent to **Tysha Sherard**.

NCDA & CS FDD **does not accept Monthly Performance Reports or SEPDS by fax**. Both these documents contain many numbers, often in small font, and are difficult to read by fax. Faxed SEPDS or Performance Reports will be discarded without being reviewed. These items may be submitted either as a hard copy by mail or else by e-mail. Exceptions may be made for certain conditions, but prior approval to fax these items must be obtained to ensure their review and approval. Lateness of reports is not an acceptable exception.
