(a) License holders shall report, annually and at the time of the license expiration, to the Industrial Hemp Commission, the following information:

- (1) Acreage, or greenhouse space planted, harvested, and varieties grown;**
- (2) Weight and type of plant part marketed, purchaser, and research information provided to NC State or NCA&T; and**
- (3) Current industrial hemp plant parts in storage and location of storage.**

(b) License holders shall report annually to NC State or NC A&T data or observations to be collected and reported in provided forms or templates from the cultivation of industrial hemp as stated on the license application set forth in Rule.0107of this Section.

(c) Processors of industrial hemp in North Carolina shall register with the commission and at the end of each calendar year report the total weight and type of industrial hemp processed from the North Carolina Industrial Hemp pilot program to the Industrial Hemp Commission.

In starting a facility to process industrial hemp in NC, making products that do not contain more than .3% THC or less by dry weight, you would need to register, and report as stated above. In order to register with the IHC you are required to submit a formal letter.

- The letter should provide the date.
- The letter should be addressed to Dr. Tom Melton, Chairman of the IHC:
Dr. Tom Melton
The North Carolina Industrial Hemp Commission
North Carolina Department of Agriculture & Consumer Services
1005 Mail Service Center
Raleigh, NC 27699-1005
- The letter should be addressed and mailed to Phil Wilson, Director of Plant Industry Division:
Mr. Phillip Wilson
NCD&CS-Plant Industry Division
1005 Mail Service Center
Raleigh, NC 27699-1005
- As a letter of intention, it should state the formal registering as a Hemp Processor, the intention of the facility, as well as the company's physical address, county, phone number, email address, contact name, and contact address if different from the physical address.
- You can email a scanned copy of your completed letters to:
Industrialhempprocessor@ncagr.gov

There may be legal obligations. It is recommended you contact your local or county authorities to permit or register your facility. You may want to let your county extension agent know of your intentions, so they are aware of your facility's presence also.

Please allow 20 business days for your requested processor, or changes to processor information to show up on the online list.
