Got to Be NC Livestock Tag Program Application

In making this application, I agree to follow the criteria and guidelines of the “Got to Be NC” program. Any violation of the guidelines can result in a retraction of this membership. I certify that the above information is correct and true to the best of my knowledge.

As a producer applying for a livestock category of the “Got to Be NC” Livestock Tag Program, I further certify that only animals that were bred while under my ownership and born in NC will be tagged with the official “Got to be NC Livestock” tags. I understand that by applying for membership in the Got to Be NC Program, it will be my responsibility to keep appropriate records of each animal tagged with the “Got to Be NC Livestock” tag. Upon request by the North Carolina Department of Agriculture and Consumer Services (NCDA&CS), it shall be my responsibility to produce such records in a timely manner. I understand and agree that the burden of proving that each tagged animal meets all requirements of the program shall solely be borne by me. In the event that I cannot conclusively prove to the satisfaction of NCDA&CS that animals tagged with the “Got to Be NC Livestock” tag meet all requirements of the program, NCDA&CS may, in its sole discretion, take any action it deems necessary at law or in equity. Such action may result in, but shall not be limited to, any of the following: revocation of membership, disqualification from competition, loss of premiums, awards, or auction proceeds. I understand that any exhibitor, their immediate family and any other party involved in violating this or any other provision of the program, or involved in the unethical fitting and showing of an animal, will be barred from exhibiting or showing at the N.C. State Fair, or any other event sanctioned by the NC Department of Agriculture, and will forfeit all premiums, prize monies and awards won in any division.
