New opening time, new parking and entrance options and Home Chef Challenge among changes for N.C. State Fair

RALEIGH – With Oct. 13-23 just around the corner, the N.C. State Fair is busy gearing up to welcome new grounds entertainment, new competitions and a new special event at the NC Public House. Fairgoers may also notice the addition of a new entry gate off Youth Center Road, a new parking lot option and additional ticket buying kiosks near the gates.

“We’re always evaluating our entertainment lineup and our operations to give fairgoers new things to look forward to each year while also improving their overall experience,” said fair manager Kent Yelverton. “This year the gates will open at 9 a.m. except for a noon opening on Oct. 13. The 9 a.m. start aligns with the opening of the exhibition halls, so fairgoers can dive right into some of the fair offerings as soon as they enter the gates.”

New parking lot and new entry gate
A new parking option this year is the recently developed Cardinal lot, a gravel lot at Hwy. 54/Chapel Hill Road, that offers fairgoers free shuttle service to a newly opened Gate 7 on the West side of the fairgrounds. The Cardinal lot adds to the existing park-and-ride option at the Dogwood lot near the intersection of Reedy Creek Road and Edwards Mill Road. Guests parking in the Dogwood lot are dropped off near Gate 9.

“Gate 7 brings fairgoers onto the grounds near the giant talking Smokey Bear and the N.C. Forest Service and Soil and Water Conservation exhibits. Adding a gate will help open up a developing part of the fairgrounds and provide ease of access for those parking in the Cardinal lot,” Yelverton said.

Updated special cooking competitions and entry categories
The Home Chef Challenge features a different special cooking contest every day, with bragging rights and prizes up for grabs for winners. The challenge has created some social media buzz with categories including loaded nachos, ultimate brownies, spirited pies, quirky cobbler, a make-ahead breakfast, a bacontastic fair food,
