

APPLICATION FOR OBTAINING, UPDATING, OR RENEWING
A PROTECTED PLANT CERTIFICATE OF ORIGIN FOR
GOLDENSEAL (*Hydrastis canadensis*)

Effective May 1, 2021 Goldenseal is a North Carolina Protected Plant Species.

Collection of protected plants from land you do not own is prohibited. Sale or distribution of wild-harvested plants is prohibited. A Certificate of Origin issued by the NC Department of Agriculture and Consumer Services is required for the sale of propagated Goldenseal.

No Certificate of Origin is required for:

- Growing plants in a home garden or woods setting without intent to sell or give away.
- Sale or distribution of value added products containing Goldenseal.

Please check the appropriate box(es) and follow instructions below:

- Selling or distributing live plants intended for propagation (nursery stock)**
(Select this option if you sell or will be selling nursery stock in the next 12 months.)

Nursery stock is defined as all wild or cultivated plants or plant parts, trees, shrubs, vines, bulbous plants and roots, grafts, scions and buds. Excluded are cut flowers, true seeds, decorative plants or plant parts without roots not intended for propagation, and perennial plants intended for indoor use that are produced in North Carolina.

Nursery certification is required to distribute or sell nursery stock. More information and fee requirements available at: <https://www.ncagr.gov/plantindustry/plant/nursery/lictbl.htm>

Complete the application form on pages 2-3 and request a Certificate of Origin from the NCDA&CS Plant Pest Specialist who performs inspections for your nursery. Plant Pest Specialists and the regions they cover can be found at: <https://www.ncagr.gov/plantindustry/plant/nursery/fwatxt.htm>

- Selling or distributing plant parts not intended for propagation.**
- Propagating plants to be sold as nursery stock 1 year or more in the future.**
(Select this option to document the origin of plants propagated for nursery stock if you will not be selling nursery stock within the next 12 months and do not yet have nursery certification.)

No fee required. Complete the application form on pages 2-3 and request a Certificate of Origin from the Plant Conservation Program.

Send completed application to: Plant Conservation Program
NC Department of Agriculture & Consumer Services
P.O. Box 27647
Raleigh, NC 27611 Phone (919) 707-3746

Or submit by email to: katherine.culatta@ncagr.gov
