

FY2026 ACSP Supplemental Allocation Adjustment

Supplemental Allocation Adjustment

- Johnston SWCD was inadvertently omitted from the initial supplemental allocation
- Their \$50,000 request met all eligibility requirements
- Using the parameters in 02 NCAC 59D .0103, their **CS** supplemental allocation was calculated as **\$24,635**
- This amount reflects the funding that would have been assigned to the district had it been included in the original calculation

Supplemental Allocation Adjustment

- Action: *Approve the adjusted ACSP Spring Supplemental Financial Assistance Allocation to include Johnston SWCD for \$24,635 in CS funds.*
