Subject: Resignation from Elected Position as Yadkin Soil and Water Conservation District Supervisor to Appointed Position as Yadkin Soil and Water Conservation District Supervisor,

Dear Soil and Water Conservation Commission,

I am writing to formally resign from my elected position as a Yadkin Soil and Water Conservation District Supervisor. It has been an honor to serve in this capacity and contribute to the conservation efforts that benefit our community and natural resources.

This decision comes as I have accepted an appointment to serve as an appointed Supervisor of the Yadkin Soil and Water Conservation District. I look forward to continuing to support the mission of soil and water conservation in this new role and to working collaboratively with the board and our partners to advance conservation initiatives.

I am committed to ensuring a smooth transition and will assist in any way necessary during this process. Please let me know if there are specific steps I should take to finalize my resignation and facilitate continuity.

Thank you for the opportunity to serve and for your continued support of conservation efforts in our district.

Sincerely,
