0303 Food & water during transport	Not Applicable	0304 Observation of animals	Not Applicable

**Narrative Explanation, if needed**

Random inspection performed today, housing area is clean and odor free, ambient temperature is within range. Only one cat is being housed at this location today, he appears to be free of injury and illness. The Sparkle Cat Rescue group houses here, all records are on site & appropriate.

No inadequacies noted today. I spoke with a new store manager today about our department, and what we are looking for when performing inspection.

check here if additional pages of narrative are attached

check here if a euthanasia inspection form is attached
