	<p>They have done just about everything I have asked the kitten room, cat room &amp; iso run looks much better, keep food in sealed containers, they have decide they will put all sick dogs down instead of putting in iso room. Cats will go to the can, on strip of wood in main board room next to office needs wood. All past have been covered. I am well satisfied with what I see and your improvements. Fans all work and good ventilation.</p>
