Item Number	Explanation of Inadequacy (circled items above) And Recommendation For Compliance	Date Corrections Must Be Completed
	I performed A random inspection on Today's date. Since my last inspection on 10/1/09 The County has now installed A Spetic System. The shelter now utilizes The Town of Windsor For its Sewer Waste.	
	The Shelter is an outdoor Facility. The Town of Windsor required That Bertie Co install A roof (partial) over The Shelter, To ASSIST WITH WATER RUN OFF. This project has Turned out Well.	
	The County needs To Clean up Around The Shelter once The construction is completed.	
	The CAT building looks good, just remeber To Keep The Floor Sweeped up.	
	The County has hired A part-time employee To ASSIST WITH CLEANING The Facility.
