Since August 14, 2003, the shelter has not used their CO chamber - see attached statement - and receive veterinary euthanasia is one has been performed by a local vet have been reviewed.
Currently a local vet performs all the euthanasia and it is by injection. Currently there is only one attending a COT and it is the supervisor. The plan is to have another attending certified.
All euthanized dogs and cats are bagged and disposed of at the local landfill.
The Bladen Co. Health Director has applied for a DEA license Upon
receipt of the DEA license the euthanasia drugs and tranquilizers will be purchased. At that time the contact information will be available for the manual as well as the MSDS sheets.

Note: The local vet is performing the euthanasia for this shelter.
