#7 - Screens on doors in small dog boarding area needs to be replaced or repaired on most of doors.
#18 - Outside kennels and exercise pens & yard need to be free of pine needles, leaves, etc. Large build-up around chainlink and in general common area.
#25 - All shot records must be on file and up to date, all records were in good order except for 1 dog and those records were produced before end of inspection.

Overall appearance of inside facility was great, just needs some work on outside.
