Complaint: Driven inspection from Jennifer Paquin (she stated that cat enclosures were too small and that there were too many animals in each enclosure not enough food + water on the date she was in the store. She also stated that the facility was very dirty and enclosures had not been cleaned. Mrs. Paquin stated that the cats to her appeared to be too young to be in the store.

The inspection today 7/18/10 at 12:00 noon - All animals had been fed + watered and employees were in the process of cleaning when I arrived. At 10:15 cleaning feeding watering of animals takes place between 10:00 and 11:00 AM (Store opens at 10:00).

#2) Continue to work on resealing of primary enclosures / several had been chalked + resealed with 2/3 remaining.

#26) Paperwork + records had greatly improved since last inspection, but work still needed on Orig. (Asap)

Inspection of Records showed that all animals that are in facility at this time were between 2 - 3 weeks and 2 months of age.
