--- | --- | ---
018 | Flooring in several runs have been repaired, leaving 3 to still be repaired. (good job) |  
21 | Shot records on all animals is now in order, in facility and all are up to date, (good job) |  
18 | Noted in last inspection - Play yards are looking better, areas have been cleaned and are free of leaves & debris. Gravel is hard to get in this area so reseeding is now the option. Trimming of trees in this area would allow sunlight in which in turn would allow grass to start coming back in play yards. |
