<td></td>
<td>They have repaired ventilation for furred in cat rooms. For better ventilation, they should consider using a poly styrene or similar material. The ventilation fan should be replaced. The building is in need of regular cleaning and maintenance. The need to change screens to keep out dust and pet dander. Still need to get decent community or organization paper work. Overall, I think we have done a great job. I think you're doing a great job for the representation.</td>
