<td>Garage / Sally Port Area that was being used for Stage as well as Housing for Feral Cats has now been re-constructed and is now being used for intake (stray) and Feral Cats. New enclosures for Ferals has increased, entire area is now blocked making 2 separate rooms. Increase in the number of enclosures is now better on the Animals because in last inspection the enclosures on site were holding as many as 4 per enclosure.</td>

<td>Numbers of Animals was not over max, but facility was full. Would have had alot more animals on 5/18/11 for Adoption Day 5/19/11 and for Rescues that have taken 34 Animals this week. These numbers of Animals going out of facility due to the fact that the facility will be housing Animals Temp in Crates in back area. This will be done 6th-20th for a cleaning of the entire facility. This is now going to be done every 6 months to ensure tht all or help to ensure illness that happened in August 2010 does not happen in the future.</td>
