Item Number | Explanation of Inadequacy (circled items above) And Recommendation For Compliance | Date Corrections Must Be Completed

I performed a courtesy inspection on 6/20/06. At that time the following issues were addressed. There were cracks in the kennel areas, those have been sealed. The outside door was stopped up. This has been corrected. At the time of the courtesy inspection the back fence was down that has been replaced with new fence. The shelter is in good shape. All records and description of animals and proper information. There was no evidence of insects or vermin. Keep up the continued good work.
