#7. On my inspection of walking the kennel area, I observed a pit bull dog with abrasions around his head. It seems the dog was attacked by another dog. The shelter volunteer advised the dog is deceased and the owner is right up the dog Monday to transport to the owner's veterinary in Rocky Mount.

I would recommend in cases were animals are injured or sick, the animal be seen by a veterinarian, right away and follow the veterinarian's recommendations.

The injuries on the dog do not look severe, however the dog's head looked to be swollen, and had numerous cuts. (Dog to be transported to veterinarian today)

Need heater installed

On 11/08 Mr. Taylor contacted me to advise the dog with the abrasions will be transported to the vet on the morning of Jan 16th.
