<td>I performed a courtesy inspection on 6/30/06. At that time the shelter was in good shape. On the inspection today 7/14/06 I observed some of the dog kennels were need to be restocked and repaired. I also observed that the water bowls are plastic and have been chewed on. Need to replace with stainless steel bowls. On the C/S chamber need to chain down trash, while have Granville County maintenance was installing new seal chamber down the seal was ordered from the manufacturer. The shelter manager advised the bowls will be replaced within 30 days. The walls will be painted within 6 months.</td>
