<td>Great job on keeping place clean. They have shower board on walls in kitchen area. Great job on this part. Dogs are in good shape. Each dog has its own cage. Smell great. Still need to add more gravel or straw if you let dogs run loose outside. Make it bitches or Rock. Still need to run base met around bottom of shower board in dining area. Other than basic kennel maintenance I am well satisfied with your improvements. Get that Rock down by Jan 1, 2008 over bare dirt areas.</td>
