Several cats were showing signs of possible FIV or FeLV and required isolation. Discharge and treatment were not consistent with the Park. One of the cats was showing signs of anemia and was not responding to treatment. There were no records available for any of the 13 cats available for inspection.

**Complete records and make available for inspection.**

**Spoke with store owner Jim Montgomery—he will communicate with documents to be faxed from an animal shelter.**

**Please contact me when sick cats have been removed and records are in place.**
