<td>I performed an AIDUAI inspection the county of HIL-TF-MARK P.A.W.S oversees the shelter. The shelter is clean and well maintained. There are a couple of issues that need to be addressed. 1) Need to perform more patrol on the outside kennels. 2) There needs to be a dog house for every dog housed outside. There are 16 dogs housed in the kennel just make sure each dog has a dog house. There was no Euthanasia inspection performed today.</td>
