Comments:

At 11:50 AM the Kennel temperature was 80°.

Kennels are clean, evidence insect control is working, no visible signs of illness were noted today.

Discussed storing unopened bags of dry food on a pallet or something to keep bag off the floor.

Construction of new shelter has begun. Went to site today - concrete should be poured soon. Public Building Director stated in an email 2-24-08 that completion should be in 3 months - October '08.

Inspection is still conditionally approved contingent upon moving into the new facility.

Re-Inspected in 60 days.
