I performed a courtesy inspection 6/19/06. At that time the following issues were addressed need to repaint bottom of the inside kennels (these are the areas to be completed). Cracks have been sealed in the kennel temp. 65% inside the kennel area. Going to purchase A/C unit in 07/06 budget. Also address resting pads for dogs. The resting pads are working. In the interim utilizing blankets. Had to either seal remove wood on fox and cats.

This shelter is in good shape. Keep up the good work.
