Previous inspection 2-23-10 (disapproved)
* Outside kennels needed more gravel for drainage problem
* Kennels against wooden wall needed to be moved away
  rusty hardware to be replaced
* Seal cracks in concrete
* Replace chewed on plastic crates
* All outside playyards needs 6" of gravel or ground covering - other than dirt.

Today's inspection:
Cleaning was going @ time of inspection. Currently not boarding any k9s. Only training police dogs. Owner is currently undecided about retaining license at this time. I spoke with manager Janet about this & explained that they need to submit yearly renewal if they are going to keep license, or to call me if they decide not to.

#1 A. Continue to replace damaged/chewed resting surfaces as necessary.

All other previous inadequacies have been addressed & are adequate at this inspection.
