<td>Items that have been addressed: 1. All corroded metal doors have been replaced with new metal doors. 2. All lights are now working in shelter. 3. Records of origin are now complete. Local AC is now providing an ID number with adoption. 4. Thermometers are now present in both kennel rooms. Temps were 52° and 60°. Recommend moving thermometers to ‘dog level’. 5. Outside exercise yard is clear of feces. Comments: An overhang has been built on the back left side of outdoor kennel - better shade and rain protection. A washer/dryer and sink has been added in the back kennel areas. Medical records are in order and being kept properly. Discussed option for outdoor exercise yard to maintain compliance and cut trees.</td>
