Comments:
Owner now is adding the specific time on her medical sheet—remind her to always add her initials too.

The cage with the word in the grooming area has been changed out of cages with no word.

Exercise yard was clean and grass has been added to area that would not grow grass very well.

Facility owner asked about using another room for boarding. Advised her that all areas must be covered or changed with non-slip material, electrical cannot be in dog’s reach and there must be adequate air and heat.
