An investigation of your practices and conduct as a euthanasia technician at the Martin County Animal Shelter indicates that grounds exist for suspension of your certification based upon violation(s) of the requirements set forth under the NC Animal Welfare Act and the rules for euthanasia technicians promulgated under that law.

The attached Notice of Violation(s) describes in detail the factual basis for your suspension. You have failed to carry out the duties of a Certified Euthanasia Technician, demonstrated by the acts and/or omissions set forth in the Notice.

Therefore, you are notified to CEASE AND DESIST from performing those duties and tasks involved in euthanizing animals in a registered animal shelter. If AWS finds evidence indicating that you performed any such duties or tasks following your receipt of this letter, I have the authority to impose a civil penalty of up to five thousand dollars ($5,000.00) pursuant to:

§ 19A40. Civil Penalties.
The Director may assess a civil penalty of not more than five thousand dollars ($5,000) against any person who violates a provision of this Article or any rule promulgated thereunder. In determining the amount of the penalty, the Director shall consider the degree and extent of harm caused by the violation. The clear
proceeds of civil penalties assessed pursuant to this section shall be remitted to the Civil Penalty and Forfeiture Fund in accordance with G.S. 115C457.2.

Name of Animal Welfare Section
Investigator(s): Lisa Carlson

The following statement includes facts upon which the Animal Welfare Section bases its conclusion that you have violated certain provisions of the North Carolina Animal Welfare Act and regulations promulgated thereunder. The facts may be based upon several sources including observations made by the investigator during her investigation, statements made to the investigator by a complainant or other individuals or property owners, documents, and/or analyses of records or photographs taken by the investigator.

1. On or about February 9, 2015, you failed to adequately and humanely euthanize and verify the death of a cat. The cat was placed in a freezer where it was found alive the following morning.

2. On February 12, 2015, you failed to adequately and humanely euthanize and verify the death of another cat. You left the work place for the day leaving the cat in a cat trap. You reportedly instructed Animal Control Officer (ACO) Beck to finish off the cat if he did not die. ACO Beck took the cat to a licensed veterinarian to complete the euthanasia.

Based on the results of our investigation, there is reason to believe that your acts and/or omissions violated the following provisions of the North Carolina Animal Welfare Act and/or the rules promulgated thereunder:
